# ABOUT US

## SIMPLE SMART SOLUTIONS

Top Greener, Inc. specializes in lighting and home automation solutions. Inspired by our ever-growing dependence on technology, we aim to deliver innovative solutions that are efficient, affordable, and safe.

Many of our solutions utilize dual technology for added convenience and functionality. Customization in features and color are also top priorities as we design new products each year. Routine tests and upgrades help us to stay on-trend and satisfy the needs of our customers.

### OUR POPULAR PRODUCTS

Elite
